Dear [ ]

I have been asked to reply to your letter of April 20 to the President concerning Eduardo Munoz Salas and Oswaldo Gomez, two Chilean prisoners who are reportedly under detention in Argentina.

I regret that I have no information on this case. However, I will send copies of this exchange of correspondence to our Embassy in Buenos Aires in the hope that they may know something further about this matter.

As you may be aware, we are cooperating with the United Nations High Commissioner for Refugees in a parole program for Chilean refugees in Argentina. A number of Chilean refugees will be able to travel to the United States, thanks to that program.

I hope this information is helpful.

Sincerely,

*Fernando E. Rondon*
